17	The pandemic has shown how nice it is to have outdoor neighborhood spaces to socialize. A pickle ball court would be a good addition! Lots of folks working in Arden Park (e.g., delivery people, pest control) also park in their car and take a break at the parks for lunch or a walk. Having tables, benches and restroom is helpful. Also, a water bottle filling station at Arden and Cresta parks, like at the airports, would be useful for all.	3/2/2022 8:35 PM
18	Please keep Colin, Miranda and the staff. They make Arden Park what it is. A family.	3/2/2022 5:22 PM

34	I have noticed that groups who reserve the party/picnic spaces who aren't residents tend to not treat the area with respect (ie litter, misuse of equipment, skate on tennis courts etc). It would be unfortunate if our beautiful parks become a magnet for those that don't treat them with respect.	2/27/2022 5:54 PM
35	We live using the pool but wish it was available more! The hours are so limited. Please offer more lap times and free swim!	2/27/2022 4:06 PM
36	Need a running track. Like the kind they have at high schools. It will attract more people but they won't stay long, just long enough to run. Makes for a safer environment for runners who want to be outdoors but don't want to run alongside traffic. Also I don't think schools allow outsiders to use their tracks. I don't know if they even have one at Mariemont but I wouldn't feel comfortable using a elementary school track as an adult who doesn't have any kids who attend that school. Need totally enclosed area of playground with fence and gate to keep kids from running towards street; as a mom to three kids under 5 I would love to know that if I get destructed by one child, another won't be running towards a parking lot or street. I would go to that park more often if I had an enclosed park. Like at Oke Park or East portal park. Even if it was just one side of the playground, ie have one side like it is now, and have the other side maybe toddler side be totally fenced in with a gate. pool needs better shade. It is a deterrent to my family how sunny it is in the summer at the pool. We hang out mostly at the baby shallow pool for this reason; it has some shade but very limited. I like to hang out with my kids but I don't want any of us to burn and it's hard to reapply sunscreen. I would go more often if there was better shade in the summer. Figure out a better parking solution at Arden park on la Sierra. It can get so congested during soft ball games and swim lessons.	2/27/2022 1:22 PM

69	Could you please include plans in the Master Plan for how the district can reduce its carbon impact? I would be thrilled if the Arden Park District replaced its gas-powered lawn equipment with electric equipment. I would also love to see more awareness and action around promoting drought-tolerant landscapes. And if the community center could be powered by solar and heat pump, that would be awesome. Through measures like these, I think the District could not only help reduce local air and noise pollution, but it could also serve as a model and inspiration for Arden Park residents.	2/23/2022 9:08 PM

75	Formal pickle ball court is a must	2/23/2022 5:20 PM
76	It would help safety at Cresta by adding sidewalks along the park, like there are at Arden Park. Drivers drive way too fast in that area and with all the cars parked along the park, it forces walkers like my family out into the street.	2/23/2022 5:05 PM

86	For community events, I would like to consider noise level restrictions - in particular, I'd like a mechanism to enforce a limit on music noise levels for events, if it's not already implemented. I love live music, but there is no cap on noise levels or anyone monitoring, and the decibels have been excessive. My daughter burst into tears as the bands ramped up music at the 4th of July and fall events, and I struggled to hear the orders from the food trucks or hold down a conversation, which felt like an alienation from like the heart and soul of these events - to connect community. Having an infant, I look for events like this because we're new to the neighborhood and don't know many people yet. Without a vaccine available for my daughter, outdoor events like this are one of the few things we were able to attend and maintain distance, so it was a bummer when the music really threw a monkey wrench. We had to leave immediately, and we could hear the music about half a mile walking home down La Sierra from events at Arden Park. Please, keep the music! Live music is a real treat and a wonderful addition to events. Just set reasonable limits or require decibel checks prior to the performance so that the music doesn't cause undue damage to the ears of the visitors (including stimulation-sensitive kids and adults) and participants (including staff working the events having to be exposed to these levels of noise for hours) and so it's welcoming to the whole of the community. Or, in the alternative, it would be helpful to require event hosts to post signs so those with issues/questions can connect with event organizers to triage issues like extremely loud music.	2/23/2022 9:50 AM

A pool expansion would offer the ability of the team to serve more families and expand access to a much loved tradition now running for 60 years.	2/23/2022 7:17 AM

99	See comment above about pickleball. It's one of the fastest growing sports in the US. Having 1 tennis court at Cresta Park striped for 1 pickleball court is insufficient. The community needs multiple dedicated courts. Their footprint is small compared to a tennis court. Cresta Park's tennis court could easily be transformed into 4 dedicated pickleball courts. This would make the park appealing to ALL age groups.	2/22/2022 8:21 PM

101	For play ground, instead of wood chips would like to upgrade it to rubber.	2/22/2022 8:01 PM
102	Great place to live	2/22/2022 7:44 PM
103	Bocce court would be great!! More trees along the sides of the park. More youth summer events	2/22/2022 7:37 PM
104	Please add changing tables in the park bathrooms! It is very strange that a family park has nowhere to change a baby.	2/22/2022 7:35 PM
105	Keep private security active. Cameras at key intersections.	2/22/2022 7:21 PM
106	I love living in Arden Park and having access to both Arden and Crest Park. Please keep us safe and continue to provide these wonderful services. These parks are wonderful.	2/22/2022 7:03 PM

110	More classes for older adults.	2/22/2022 5:56 PM
111	I do not like the off leash dogs at the park. If you are going to do that you need to make an actual enclosed dog park.	2/22/2022 5:50 PM
112	No one considers fixed income, older adults when putting forth bond issues. Sad.	2/22/2022 5:40 PM

124	The plan should not result in becoming a magnet to non-residents. The parks are a jewel in large part because of the community/residents that "care" for it and "pay" for it.	2/22/2022 1:40 PM
125	I grew up in Arden Park, moved back and raised my family and now I would like my grandchildren to experience how great Arden Park is for play and fun.	2/22/2022 1:40 PM

127	How the improvements would be funded. I am up for improvements and willing to pay. It should not be voluntary like the homeowner fees, everyone who lives in the park should contribute.	2/22/2022 1:01 PM

138	Too much changing and expansion could make the park too busy with people and traffic. We need a quiet, safe neighborhood. Small up-grades would be fine, but make them small. Too many people would create its own set of problems.	2/21/2022 9:49 PM
139	The trees in the park are one of the district's biggest assets. I would like to request resources are invested to continue to ensure proper specialize arborist care and pruning for the trees to preserve their health for generations to come.	2/21/2022 9:35 PM
140	Please keep the cheese.	2/21/2022 8:57 PM
141	It felt like the pool was barely open last year -budgeting for more lifeguards/expanded hours would be greatly appreciated	2/21/2022 8:31 PM
142	Yes , i think you should give a very nice locker room/shower for the swim team.	2/21/2022 5:51 PM
143	I'd love to see more classes, such as art, theater, cooking, etc. offered.	2/21/2022 4:21 PM
144	Please continue security to keep our parks safe and clean.	2/21/2022 2:54 PM
145	Having two amazing parks is one of the reasons we moved to Arden Park. Thank you all for providing wonderful spots for children and families to gather and make memories.	2/21/2022 2:09 PM
146	In support of more funding for the parks	2/21/2022 1:46 PM
147	We need a way to keep fields free of dog poop. My kids won't play in the grass because we've had multiple incidents of playing "dodge the poop"	2/21/2022 1:41 PM
148	Large expanse of open area, trees.	2/21/2022 1:40 PM
149	I do bring my dog regularly to Arden Park for off-leash playing but I would not bring my dog to a fenced-in dog park. Unless the dog park took up the entire lawn I don't think it would be large enough for natural play of dogs. So while I value being able to let my dog run around in the field I would not support an actual dog park unless the size was very large.	2/21/2022 1:04 PM
150	We would love a dog park or more activities/spaces for older kids in the neighborhood to hangout.	2/21/2022 12:37 PM
151	More adult/family social events. Activities where older kids and parents could come together. And less focus on the little ones. Teen leagues Wine Tastings, bocce competitions, outdoor paint nights.	2/21/2022 12:03 PM
152	I think a dedicated performance area would really add to the facilities	2/21/2022 9:54 AM
