Dear Community Partner,

The Arden Park Recreation and Park District (APRPD) is a small, independent special district in Sacramento County. It is our mission to provide safe, clean, and beautiful parks and facilities as well as a variety of recreation activities and special events for Arden Park residents to enjoy.

APRPD hosts multiple community events throughout the year that are low cost or free to the public. By supporting Arden Park programs and events through generous sponsorships, we can continue to provide and enhance these experiences for our neighborhood families.

As a sponsor, it is Arden Park Recreation and Park District's goal to provide positive community exposure and visibility for your business. Please take a moment to go through this packet, which highlights the different sponsorship options we have available for our valued community partners. From annual sponsorships to specific events, any help you are willing to provide is greatly appreciated.

As an Arden Park sponsor, you will be highlighted and celebrated through a variety of marketing outlets ranging from social media and website visibility, semi-annual Activity Guides, event marketing materials and more. With you as an APRPD sponsor, we can make Arden Park an even more fantastic place to live and play.

Sincerely,

Darcie Maesomy
Recreation Supervisor
